Mahmoud Baderaldin

Full-Stack Web Developer

Saida, Lebanon | +961 71 736 695 | baderladinmahmud@gmail.com

GitHub: https://github.com/Mahmoud-ctrl

Portfolio: https://mahmudb.netlify.app/

Professional Summary

Motivated and results-driven full-stack developer with over two years of hands-on experience in software development. Skilled at building and deploying dynamic web platforms with a focus on functionality, performance, and user experience. Successfully developed and launched a secure freelancing platform tailored for the Lebanese market, integrating local payment systems. Recently completed a DevOps bootcamp, gaining expertise in automation, CI/CD, and cloud infrastructure management. Seeking to contribute technical and creative solutions in fast-paced, innovative environments.

Education

Baccalauréat Technique (B.T.), Information Technology
Al-Amal Institution of Technology, Lebanon

Bachelor's Degree in Computer Science (Expected 2026)

Certifications

• Cisco Bootcamp (2024)

Projects

• Full-Stack Developer (2023–2025) – Continuously building platforms and prototypes to deepen backend, frontend, and deployment expertise.
